Dear Residents,

As many of you know I have been promoted to Supervisor of Rosamond Hills Apartments. I will miss seeing all of you every day but I will still be here at least once a month. Friday the 3<sup>rd</sup> is my last day here and our new manager, Cindy Skeen, will be starting on her own as of Monday the 6<sup>th</sup>. Feel free to stop by and welcome our new staff member!

Thank you,

Beatriz Garcia

## More Important Information

- If a washer or dryer is not working you can call (800)342-5932. All you need to provide is a machine number and they will come out to fix it.
- For those who are not aware there is a program through Kern County that will install a walk in shower in your apartment for zero cost. If you are interested, please feel free to contact the office or Mac.

Please do not throw any old furniture in the dumpsters. Those items must be taken to the dump. If you need anything taken for you, please contact the office. If you see anyone leaving items in our dumpsters after hours call the sheriff's office. If you cannot get your trash bag into the dumpster because it is too heavy, please call the office and we will have someone assist you.
